

"THANKS" just doesn't seem like enough.

Shannon,

Thank you so very much for all your help selling our home + finding us a great deal on a new one. You are awesome! I am sure our house would still be for sale had we used any other agent. Deb Howard is very lucky to have you (and Grace) working for her. Also, thanks for being patient with me when I called you 20 times a day, on your vacations, in the middle of the night and your days off! I hope we can find you some clients who can appreciate you as much
