Howard & Co.

Tahoe's Real Estate Resource
A Licensed CA / NV Brokerage

Could we quote you ?

Our house was listed with Deb when it burned in the Angora fire. After the fire she acted more like a concerned friend than someone who had lost a potential sale. She was very helpful through the entire ordeal, going well beyond what a "realtor" needed to do in that situation. In the end she helped us price and sell the empty lot. Our experience with Deb Howard & Co. was simply excellent and we highly recommend them to everyone we know.
